HOSTED BY THE PENOBSCOT COUNTY CONSERVATION ASSOCIATION

**Message from the President of the Penobscot County Conservation Association
Daniel Bell**

Welcome to the **86th Annual Eastern Maine Sportsmen's Show**, presented by the **Penobscot County Conservation Association**.

On behalf of the PCCA, I would like to extend our sincere appreciation to the many individuals and organizations who make this event possible. We thank our vendors, speakers, volunteers, sponsors, the University of Maine, and of course our attendees for their continued support and participation. Your dedication and enthusiasm are what make this show such a success year after year.

We are delighted to have you join us for a day of exploration, learning, and connection. This event offers a wonderful opportunity to engage with a diverse group of vendors and exhibitors who bring valuable knowledge, innovative products, and a shared passion for the outdoors. We encourage you to take full advantage of everything the show has to offer.

As outdoor enthusiasts, we all play an important role in preserving and promoting our outdoor heritage. We encourage you to spend time outdoors, create lasting memories with family and friends, and introduce someone new to the traditions we value so deeply. By teaching and inspiring the next generation of outdoor stewards, we help ensure that these traditions remain strong for many years to come.

Thank you for being part of the **2026 Eastern Maine Sportsmen's Show**. We hope you enjoy the event and have a wonderful time.

Sincerely,
Daniel Bell, President
Penobscot County Conservation Association
